**Arne Svenson: A Beautiful Day** - Opens January 15 through March 19, 2022.

Robert Klein Gallery is pleased to present a new color works by photographer Arne Svenson. Photographed during the pandemic from his home in New York City, Svenson focuses his camera on daily life and passers by as events unfold outside his window. Known for his controversial series “Neighbors”, Svenson continues his practice of observing and deconstructing the rich details of modern urban life amidst the pandemic.
